

**GRANTS MANAGEMENT MEMORANDUM
2010-013**

DATE: July 30, 2010

TO: All California Emergency Management Agency Subgrantees & Interested Parties

FROM: Homeland Security Grants

RE: Homeland Security Grants Program Application deadline.

In the Spring of 2010, the California Emergency Management Agency (Cal EMA) Office of Grants Management, released the *Fiscal Year 2010 California Supplement to the Federal Program Guidance and Application Kit*, announcing the subgrantee application submittal deadline of August 13, 2010.

Since that time, Governor Arnold Schwarzenegger has issued Executive Order S-12-10, which returns to a policy whereby State offices are closed for three days each month. Furloughs are expected to remain in place until lawmakers pass a 2010-2011 state budget. The Order further identifies August 13, 2010 as a furlough day, and Cal EMA offices will be closed.

With this memo, Cal EMA would like to announce a new due date for subgrantee application submittals. Applications must be received at Cal EMA by **Monday, August 16, 2010**.
